

SUPPORTING REGIONAL NDC HUBS

Africa, the Caribbean and
the Pacific NDC Hubs -
Conducting Peer Exchanges
& Building Regional
Cooperation

VENUE: AFRICAN DEVELOPMENT BANK PAVILION
DATE: MONDAY, 10TH DECEMBER, 2018
TIME: 11H00-13H00

To support developing countries in implementing and enhancing their Nationally Determined Contributions (NDCs), Regional NDC Hubs have been created in Africa, the Caribbean and the Pacific. All three NDC Hubs are at different stages of operationalization and share different governance structures, creating strong potential for the Hubs to share experiences on how to best achieve their common goal.

This event is a platform for the African, Caribbean and Pacific NDC Hubs to leverage each other's best practices and devise strategies to solve common climate change challenges whilst promoting South-South Cooperation.

Speakers:

- **Amadou Hott** - Vice President, African Development Bank
- **Mr René Castro-Salazar** - Assistant Director-General, Climate, Biodiversity, Land and Water Department, Food and agriculture Organization of the United Nations
- **Cameron Diver** - Deputy Director General, Pacific Community
- **Frank Rijsberman** - Director General, Global Green Growth Institute
- **Jahan Chowdhury** - Country Engagement Director, NDC Partnership Support Unit
- **Ahmed Al Qabany** - Manager of Climate Change, Islamic Development Bank
- **Rajae Chafil** - Director of the Competence Center for Climate Change 4C Morocco
- **Crispin d'Auvergne** - Climate Change & Disaster Risk Management Coordinator, Organisation of Eastern Caribbean States

Moderated by Davinah Milenge Uwella, African Development Bank
