

Global Green Growth Institute

First session of the Assembly

First meeting

Seoul, 23 October 2012

Decision on the composition of the Council

The Assembly,

Noting that a new kind of interdisciplinary and multi-stakeholder international organization is necessary to effectively address climate change and implement low-carbon development strategies;

Recalling Article 7.5a of the Agreement on the Establishment of the Global Green Growth Institute regarding the function of the Assembly to elect Members to the Council; and,

Recalling further Article 8 of the Agreement on the Establishment of the Global Green Growth Institute regarding the composition of the Council;

Decides:

1. To elect the Members of the Council, as attached in Annex 1.
