## About GGGI

Based in Seoul, GGGI is a treaty-based international, inter-governmental organization that supports developing country governments transition to a model of economic growth that is environmentally sustainable and socially inclusive. GGGI delivers programs for 33 Members and partners – in Africa, Asia, the Caribbean, Europe, Latin America, the Middle East and the Pacific – with technical support, capacity building, policy planning and implementation, and by helping to build a pipeline of bankable green investment projects. To learn more about GGGI, see <http://www.gggi.org> and follow us on [Facebook](#), [Twitter](#), [YouTube](#), and [Instagram](#).
