

Global Green Growth Institute

Third session of the Council

Songdo, 8-9 June 2013

Note on the Advisory Committee

In its second session in Abu Dhabi, the Council requested the Secretariat to develop Terms of Reference, Rules of Procedure of the Advisory Committee and an initial set of candidates for membership in its Decision on the Advisory Committee, C/2/DC/8.

Following discussion in the Facilitative Sub-Committee regarding the Advisory Committee and the position of Assistant Director-General for Public-Private Cooperation and in consideration of the strategic ties between the Assistant Director-General position and the role of the Advisory Committee, the Facilitative Sub-Committee decided to postpone the Council discussion and decision on the Advisory Committee until the position for the Assistant Director-General position has been filled.
