Latin America

Portfolio				
No.	Country	Sector	Title	Investment Size (US\$ M)
1	Rwanda	Cross-cutting	Strengthening climate resilience of rural communities in Northern Rwanda (SCRNRP) – GCF financing approved	33
2	Thailand	Energy	First SME-only National Energy Efficiency Program Target at Replacing Lighting, Motors and Variable Speed Drives	20
3	Thailand	Energy	Cotco Metal Works – Energy efficiency and renewable projects	1.2
4	Vanuatu	Energy	National Green Energy Fund	100
5	Colombia	Landscape	Joint Declaration of Intent on Deforestation	250
Sub total of completed: (A)				404

Pipeline				
Highly likely in 2018				
6	Fiji	Energy	Solar PV Project in Ovalau, 4.7 MW	13
7	Guyana	Energy	Distributed Solar PV Program, 10MW	10
Sub total of highly likely in 2018: (B)				23
Likely in 2018				
1	Jordan	Cities & Energy	Solar-powered Electric Vehicles for Amman Bus Rapid Transit System	30
2	Mozambique	Energy	Solar Irrigation Systems for 150 Farms in Manica Province	10
3	Rwanda	Cross-cutting	FONERWA – Rwanda’s Green Fund (core funding)	5
4	Rwanda	Cross-cutting	FONERWA – Facility for 100 Mini-grid Projects	15
5	Senegal	Energy	Rice Husk Waste to Energy Projects Bundle, 1.5MW	2
6	Senegal	Energy	Senegal Renewable and Efficient Energy Fund	50*
7	Uganda	Green Cities	Uganda Waste to Resource Phase 1 – Scale Up of Plastic Recycling Collection Centers	20

(*): First phase

Investment Pipeline 2019

(Projects likely to reach investor commitment in 2019)

Africa
Asia & Pacific
Latin America

No.	Country/Region	Sector	Title	Investment Size (US\$ M)
New Projects for 2019				
1	Ethiopia	Water	Climate Insurance Acceleration Fund	3.5*
2	Ethiopia	Water	Development of Climate-resilient WaSH in 13 Drought-prone Areas	85
3	Rwanda	Landscape	Rwanda Tea Plantation, Supporting 8,000 Small-scale Farmers	23
4	Cambodia	Water	National Sanitation Vehicle	30-35
5	Fiji	Energy	Solar PV for Low-Income Housing, 750KW	1
6	Fiji	Energy	Solar for Small Off-grid Hotels, 500kW – 1MW	1-2
7	Indonesia	Landscape	Forest Carbon Partnership Facility Emission Reduction Project	100
8	Laos PDR	Water	National Sanitation Fund	20-25
9	Lao PDR	Green Cities	Development of Green Cities in Lao PDR – KOICA proposal	7
10	Mongolia	Energy	Energy Performance Contracting for Residential Retrofitting in Ulaanbaatar city	20
11	Mongolia	Energy	Renewable Energy Absorption Project	22.5
12	Myanmar	Energy	Rice-Husk-To-Power Leasing Finance Facility	20*
13	Myanmar	Cross-cutting	Distributed Ledger Technology Powered Improved Cookstoves Finance Facility	20*
14	Papua New Guinea	Landscape	Improved Climate-Resilient Cocoa Production in PNG	15
Projects from 2017-2018				
15	Costa Rica	Landscape	FUNBAM - Environment Bank Foundation	5
16	India	Energy	Access to Clean Energy (ACE) Fund – GCF proposal	60
Estimated Total Investment Mobilized by End of 2019				US \$ 433

Policy advisory assignments completed and Policies adopted in 2018 (1/11)

Country	Project Title	Sector	Policy Advisory Assignments Completed (in 2018)	Policies Adopted (in 2018)
Africa and Europe				
Ethiopia	Ethiopia Country Program 2017-2018	Green cities	GGGI and Ethiopian Development Research Institute (EDRI) finalized a detailed assessment (study) of Ethiopia's urban development and housing sector . Overall, the findings of this study will inform the formulation of the 15-year Perspectives Plan (spanning 2015/16-2029/30) and be aligned with Agenda 2030 and AU Agenda 2063. The draft was presented to the National Planning Commission (NPC) and a final version of the report was submitted to EDRI/NPC. (April 2018).	
		Sustainable Landscapes	Development and design of the National Agriculture Investment Framework (NAIF) and Agribusiness (Large Scale Commercial Agriculture) Strategy. Supporting achievement of the (CRGE) strategy objective pertaining to agro-focused climate change resilience and sustainable use of natural resources.	
Hungary	Hungary- Balkan regional multi donor trust fund	Cross-cutting	Development and submission of a Government Resolution in Hungary to support green investments in the Western Balkans .	
Jordan	Implementation Support to the National Green Growth Plan of Jordan	Cross-cutting (Energy, Green Cities & Water)	Policy recommendation package (including full-fledged financial model) on electric vehicle charging infrastructure submitted.	
		Cross-cutting	Developing 6 sector & 1 cross-cutting Green Growth Action Plans; National Green Growth Results Framework; and M&E System .	
Mozambique	Scaling up Pro-Poor Renewable Energy in Mozambique	Cross-cutting	Green Growth Potential Assessment completed (May 2018).	
		Energy	Policy recommendations to remove barriers to private sector participation in the off-grid solar sector submitted to and endorsed by Government of Mozambique.	

Policy advisory assignments completed and Policies adopted in 2018 (2/11)

Country	Project Title	Sector	Policy Advisory Assignments Completed (in 2018)	Policies Adopted (in 2018)
Africa and Europe				
Rwanda	Climate Resilient Green Cities	Green Cities	Key actions and recommendations from the National Roadmap for Green Secondary Cities integrated into the District Development Strategies (DDS) for 6 secondary cities in Rwanda. The DDS, a six year (2018/24) GoR strategic document at the Sub-National Level feeds into the National Strategy for Transformation (NST1). The DDS is planned to be approved by the respective District Councils in September 2018.	
		Green Cities	Support Rwanda Housing Authority to develop the Rwanda Green Building Minimum Compliance Guidelines for large scale buildings. Guidelines completed and Ministerial Orders expected by end 2018 .	
		Green Cities	Waste sector assessment for two secondary cities (Muhanga, Huye) to be completed in Q4 2018.	
Senegal	Green Growth Pathways in Senegal	Cross-cutting	Support the development of National Green Growth Strategy (NGGS) and the roadmap for NGGS implementation.	
		Green Cities		Charter of commitment for the development of Tivaouane and Kolda as green cities signed and became effective in June 2018.
		Green Cities	Institutional mechanisms for improving service quality and financial flow of fecal sludge management in Tivaouane to be completed in Q4 2018.	
Uganda	Unleashing the Potential of Uganda's Economy through Green Growth	Energy	National Energy Policy reviewed and completed: GGGI is supporting the Regulatory Impact Assessment to inform review of the policy, ongoing and expected to be completed by end of year.	
	Uganda Water Project	Water	National Environment Management Policy review completed. GGGI is supporting the Regulatory Impact Assessment (RIA) –Draft NEMP policy in place and RIA under review by technical committee expected to be completed by end of September 2018	
	National Urban Solid Waste Management Policy	Green Cities	National Urban Solid Waste Management Policy the resource implications study for Cabinet was completed with support from GGGI, and policy submitted for final approval from the Minister to Cabinet
