GGGI Membership
Membership to GGGI is open to any Member State of the United Nations or regional integration organization that subscribes to the objectives of GGGI.

Benefits of Membership
GGGI Member States have access to technical assistance from GGGI that will assist with their acceleration of green transformation, development of project pipelines, and catalyzing of green investment—delivered through a mix of global, regional and country specific programming funded through voluntary core and earmarked contributions from GGGI’s growing number of donors. Member States also have access to accumulated knowledge on scaling up green growth solutions and knowledge-exchange opportunities that will help to identity good practices and approaches, which can be applied in different country contexts.

Accelerating Green Growth in developing and emerging economies
ABOUT GGGI
The Global Green Growth Institute (GGGI) was founded as a treaty-based international, inter-governmental organization in 2012 at the United Nations Conference on Sustainable Development.

GGGI's vision is a low-carbon resilient world of strong, inclusive, and sustainable growth. GGGI supports its Member States in transitioning their economies towards green growth model that simultaneously achieve poverty reduction, social inclusion, environmental sustainability, and economic growth. GGGI's work contributes to its Members' efforts to deliver on the Sustainable Development Goals and the Nationally Determined Contributions to the Paris Agreement. GGGI partners with stakeholders to develop innovative green growth solutions, project financing and investments, and share knowledge and lessons learnt.

GGGI's organizational culture is shaped by five core values: Integrity, Excellence, Transformational, Inclusiveness, and Boldness.
