PROGRAMME

version 3.9

The Korea-Africa Summit 2024 is an inaugural event aimed at fostering mutual, beneficial, and sustainable long-term relations between Korea and Africa. The Global Green Growth Institute (GGGI), in line with its vision to promote green growth, is set to hold two pivotal High-level Forums on the sidelines of the Korea-Africa Summit 2024. The high-level Forums offer a platform for mutual, beneficial, and sustainable long-term cooperative relations between Korea and Africa, facilitating their partnership and new opportunities to pave the way for greengrowth in Africa. The Forums will discuss access to green, climate finance and plastics sustainability.
